Our Product Research Team At Crutchfield, you can access thousands of customer reviews and ratings, with an overall rating derived from our Top-Rated products overall program. Product reviews are submitted by customers, informal reviews are removed by the application. Overall rating: 1.7 of 5 Overall review: It worked great but I don't like the way it handles the task of aligning the data for each sheet. This is no problem for what I use it for, but my work requires the use of many sheets. This would also lead to some limited file size. I think this needs to be addressed. Value for the money? Was this review helpful? 0 0 Share this review: Review 4 for PDF to Excel Overall rating: 5/5 Premium PDF to Excel PostedJanuary 24, 2014 TomC from Boston, MA We converted several hundred pdf files using this product and it was a breeze. The conversion process was easy and took no time at all. The product was very intuitive and even helped us create a quality excel file from a quality pdf file. Value for the money?
